

Don't take our word for it...

We can tell you we're great, but the best recommendation is that of others who have used us before.

Take a look at what some of our clients have to say.

“

You are loved by us, you are great, reliable and the quality of stuff you produce is (pretty near) perfect! Thanks guys for all your hard work and support with our jobs, our last minute requests and our panics!”

Richard Fearon, DNA Advertising Ltd

“

Always good doing business with you; keen prices, good quality production and excellent service.”

Peter Day, T.E.S.

“

We now use Maslands for all of our printing needs. They are fast, efficient and great value for money, as well as really helping us to understand the printing process so that we buy the right solution to our needs. Running through their “guide to print buying” really helped us understand the options of size, paper stock, colours and finishes on the overall cost and quality of each job they do for us. Like many businesses we can sometimes want printing last minute and Maslands always get the job done in time.

We recommend them without reservation to any business that needs printing, design or simply advice on either.”

Peter Hill, Mark Holt & Co.

“

Good quality printing. Always very helpful and accommodating to our needs. Friendly and polite service.”

Dean Crook, Dean Crook Auto Repairs

“

Because you're more like family than suppliers, you're completely trustworthy and fair, and I know that if we're ever in trouble, you'd do anything to help us get out of it! Thanks for your help - it is always appreciated!”

Jim Green, DNA Advertising Ltd London

“

During more than 30 years purchasing Print, very few suppliers have impressed me consistently with excellent service, high quality and competitive pricing. Maslands are one of the few suppliers who have. The staff are professional, honest and trustworthy in all their business dealings. They often go the extra mile to achieve that impossible deadline which makes my role so much easier and keeps my clients happy. I would highly recommend Maslands to any prospective buyer of print.”

David Woolfenden, Print Manager, Clarks International

“

Very friendly and great service all round.”

Jo Allen, Millfield School

“ Because you are the best of course! Can't wait until we produce the best goddam fly fishing tackle brochure ever... oh and remember our sell out book too!!! We need more!”
